*Students should bring **laptop / tablet/ ipad** to the orientation session in order to access study portal and e-systems used at RGSL. Smart phone is not sufficient.*

The study process is **highly intensive** from the very beginning of study period. **Orientation day** is aimed at introducing incoming students with the study process, academic requirements and administrative procedures, and to settle practical matters. Student Buddies will also provide assistance, if needed, in obtaining Riga city public transportation e-card for student discount.

Courses

The list of **updated** study courses for **spring semester 2026** will be published in **December** and sent to accepted incoming students by email as well as published on the website. Meanwhile students can use the current Bachelor and Masters course plans updated 12/09/2025 to take a look at the preliminary expected courses.

Full study workload for each Module (= 6 week study period) is **3 subjects x 3 ECTS** but RGSL will allow to take maximum up to 4 subjects per Module for exchange students.

Exchange students who are **at least in Year 3** of their law studies, are allowed to take **Masters** courses. Students can also **mix Bachelor and Masters** courses.

Please note that class **time schedules** for individual courses on bachelor level become available only 2 weeks before each study period (Module) begins.

Online Learning Agreement

Incoming students are **requested to wait** with preliminary course selection for provisional learning agreement until official acceptance letters are sent.

RGSL uses **Online Learning Agreement** and signs incoming student learning agreements **digitally** through 'Erasmus Without Paper' dashboard e-system. Ask your home exchange coordinator for advice. Learning agreements at RGSL will not be printed, stamped or signed on paper (exception if student requires immigration visa).

Note that your OLA is not yet actual registration for courses at RGSL. That will be done separately just before studies begin by the study department staff. RGSL will ask all incoming students to inform about their planned arrival dates and courses **via special pre-arrival online questionnaire**.

Exams

Each professor sets the requirements for passing the course, exams can be written or oral, a combination of mid-term exam and final exam, some courses have mandatory seminars and presentations.

Exam formats vary from a 2-hour closed-book in-class exam, or open book take-home assignment, essay or online quizz. This will be reflected in the course outline and explained at the beginning of each course.

GRADING SYSTEM IN LATVIA; COMPARISON WITH ECTS GRADE

ACCOMMODATION

All students have to **find their own accommodation**, as RGSL does not have its own student housing. From the feedback of previous exchange and full-degree international students we have learned that the most preferred option is to „team-up” with other international students mainly via Facebook to rent an apartment in the city. Feel free to ask RGSL Erasmus coordinator about the location and proximity of your chosen housing address.

Useful contacts for searching accommodation – based on student feedback:

- **Highly praised** for a number of years by RGSL Erasmus students are **student co-living residences on Terbatas street, Stabu street** and now also a new place on Miera street. Contacts: <https://coliving-residences.com/> Students have reported very positive feedback.
- **Valdemara Residence** <https://www.facebook.com/valdemararesidence/> - they offer shared student rooms for affordable prices, great central location, 10-minute walking distance from RGSL, exchange students have given rather positive feedback.
- **Appeltofft-Invest** www.stabu16.lv RGSL students have reported renting individual rooms, however, conditions of rooms vary, so ask for details if you are booking these. General costs ~EUR 300+ with all utilities included. Contact person **Liene Jaudzema**, e-mail appeltofftinvest@gmail.com

Housing costs in the Old Town Riga will be generally higher than in the rest of central Riga. Shared flats and student rooms outside the Old Town are estimated on average EUR 300-400 per month for a private room (including heating costs, and the internet). Always check whether the **utilities - water, electricity and especially heating in the winter season** are included in the price or separate, and how much the cost is in the winter. In some buildings central heating can increase the cost by more than 30-40% in winter months. Flats further away from the centre will have lower prices but then you have to factor in time for commuting.

Living costs: estimated ~ EUR 450-700 per month. [More detailed info](#)

Public transportation (city bus, tram and trolley-bus): upon arrival in Riga, students will be able to apply for student transportation e-card and buy monthly pass with student discount (EUR 12,00 per month unlimited rides on city buses, trams and trolley-buses).

IMPORTANT - MEDICAL INSURANCE

Incoming exchange students **must have the European Health Insurance Card** and/or private health insurance to cover emergency medical expenses during study period in Latvia. Additional **travel and accident insurance** with broader coverage is **strongly recommended**. If you need to visit a doctor in Riga, the cost will be around EUR 30-40 per visit. In addition, any tests (blood test, for example) is at additional cost. Same with dentistry services. In general, there are no student discounts for medical services in Latvia, and no student clinics or student hospitals.

STUDENT BUDDY NETWORK AND SOCIAL ACTIVITIES

Your name and e-mail address will be shared with RGSL Student Association's Board, in order for their coordinator of international and exchange students be able to offer you a **"Buddy network support"**, social and practical assistance. You will be contacted by the student representatives with an invitation to join social media groups for RGSL exchange students. This group can also be used as a channel to search for available housing and „team-up" as room-mates. RGSL Student Association organizes regular cultural, tourist and social events, and engages incoming students in the student social life.
